If you are travelling out of York, from the ring road, (A1237), turn onto the B1363. On the right hand side you will see a small industrial estate. A little further along the road on the left hand side, you will pass a farm house. Continue along the road past the farm shop on the right hand side.

If you are travelling towards York, drive along the B1363 past Wigginton. You will pass 'Villa Farm' on the left hand side.

A little further along on the opposite side of the road you will see a row of tall conifer trees. In the middle of the row is the entrance to Wigginton Lodge – it is well hidden so proceed slowly! Look out for the white sign hanging next to the gate post.

Turn between the white gates and proceed up the tree lined drive. When the drive forks, take the right hand fork and follow around the garage block to the parking area.

The shop and classroom are on the first floor of the barn which is the building to the right of the house. The entrance is on the house side of the barn in the courtyard. Please come in through the black door, and proceed up the stairs.
